WAS £795.00 EACH
NOW AN AMAZING
£755.00 EACH

This machine automatically dispenses water-activated plain and reinforced gummed paper tape. Its colour-coded keys are pre-set for popular tape lengths from 150mm. The repeat function automatically allocates the same pre-set length as the previous length is removed from the dispenser.

Minimum/maximum tape width 25-76mm.
UL listed, CE and CSA certified and RoHS compliant.
Power supply 220V.

This water-activated gummed paper tape offers a 100% recyclable alternative to plastic tape. Save money by using just one strip of tape and be confident that your boxes will arrive safely sealed due to the strong adhesive that bonds with the cardboard.
